

# Millac

# Gold

NEW &  
IMPROVED  
TASTE

New, improved dairy taste  
with the same excellent functionality and benefits

*for professionals*

 **Pritchitts**  
A Lakeland Dairies Company

 Isle of  
Ireland

# As good as Gold

**Millac Gold** has all the benefits of dairy cream with enhanced product versatility. It is ideal for all your culinary requirements whether it be cooking, whipping or pouring.

- Now with a ***new and improved dairy taste***, developed by our expert chefs to taste just like dairy cream
- More stable than dairy cream when whipped
- Thickens quicker than dairy cream
- Whips up to 3 times its volume
- Can be used in a Gas Whipper
- Doesn't split when mixed with acidic ingredients
- Highly versatile – sweet or savoury
- Long shelf life
